Press Release

Organize your Inkssentials Ink Blending Tools with the Inkssentials Craft Spinner. Modeled after the antique stamp carousels of days past, this retro display keeps multiple Ink Blending Tools within quick and easy reach.

The nostalgic styling of the Craft Spinner looks cool on any craft table, teacher's work table and at demo stations. Not only does it hold the Ink Blending Tool, but also holds the Adirondack® Alcohol Ink Applicators. Increase your sales of multiple ink applying tools with this functional stand.

The Craft Spinner features all metal construction with a sturdy weighted base. The chromed prongs hold up to eight tools as well as other small craft products. The entire unit takes up only 8 inches of space and is easy to assemble.

Inkssentials™ Craft Spinner
