

New Tim Holtz® Distress Marker Spritzer

Ranger and Tim Holtz are excited to announce the addition of a new tool to the Distress product line – Distress Marker Spritzer.

Create an airbrushed effect using the Distress Marker Spritzer. Add unique layers of color and depth to projects. The Distress Marker Spritzer is hand-operated, lightweight and easy to use. Simply insert the brush tip end of the Distress Marker into the tool and squeeze the bulb to “spritz” ink onto paper craft projects. The adjustable marker insert can accommodate a variety of marker brands.

TIM HOLTZ® DISTRESS MARKER SPRITZER

- Easy to use and portable
- Adjustable marker insert accommodates most markers
- Add unique layers and depth to projects when combined with water-based Distress Markers

TDA39730

Visit Ranger at the January 2014 CHA Conference & Trade Show – Booth# 621 to see the entire line of Tim Holtz® Distress Products, Signature Designer demonstrations, Make-n-Takes and project ideas.
