

New Ranger Mini Blending Tool

Ranger is excited to announce a new tool to their product line!

Ranger is pleased to announce the addition of the Mini Ink Blending Tool to their craft tool line up. The Mini Ink Blending Tool features a round foam applicator that is perfect for applying inks and paints into small areas. Featuring the same full-sized handle, the Mini Ink Blending Tool can be stored in the Craft Spinner for easy and convenient use. The round foam applicator is the perfect tool to apply inks and paints through stencils. Use a separate ink blending foam for each color. With 2 tools and 4 foams, creative color possibilities are endless. Replacement Foam is available in a 20 piece pack and is sold separately.
