

New Ranger Adhesives

Ranger's Adhesive Product Line Grows!

Adhesive Sheets

Ranger's clear, paper-thin Adhesive Sheets can be easily cut with hand-held punches and is compatible with most die-cutting machines. With a high-tack, super strong adhesive, these sheets can bond paper, chipboard, wood, glass, foam, acrylic, canvas and more! Use with Ranger's Shiny Foil Transfer Sheets too!

Adhesive Foam

Add dimension to your craft projects and make them "pop"! The convenient peel and stick design means no messy glues or drying time needed. Adhesive Foam have a high tack adhesive and can be easily embellished with foil, glitter, micro beads and more! It quickly bonds paper, cardstock, chipboard, wood, glass, metals & acrylic. Available in black and white.

Adhesive Strips

Ranger's Adhesive Strips feature a high tack adhesive that can easily bond paper, chipboard and cardstock and won't curl or lift! Use with embossing powders, glitter, Foil Transfer sheets, wood, glass and more! Strips are easy to tear by hand.
