New Texture Tools from Ranger

Add a bit of raised texture to your Texture Paste!

Ranger is excited to announce the addition of new Texture Tools for use with Ranger Texture Paste. Each set includes 6 unique designs made from durable, flexible plastic that can be used to create raised textured effects. For quick, easy and unique designs, run Texture Tool through wet Texture Paste that has been applied to craft project. Allow to Paste to dry then colorize with paints, inks and other mediums. Each set includes a metal hinged ring for easy organization and convenient storage.
