

Ranger DIY Dye Ink & Archival Ink Pads

Create your own custom blend ink pads using Re-inkers

Creating custom ink pads has never been so easy with Ranger's new DIY Ink Pads. Available for both Ranger Dye Ink & Archival Ink™, the DIY Ink Pads are empty felt pads designed with the same case and felt as the original ink pads that can be easily inked using your favorite Re-inker colors. Simply select 2-3 coordinating Re-inkers and apply directly to dry felt pad. Create ombre effects, custom blends, gradients and more.. the possibilities are endless! Once completed, the DIY Ink Pads can be easily indexed by inking the top label with a brayer or Ink Blending Tool.
