

Dylusions Paint

New Vibrant Acrylic Paint from Dyan Reaveley!

Ranger and Dyan Reaveley, creative mind behind the Dylusions product line, are extremely excited to introduce you to Dylusions Paint – 12 gorgeous, vibrant acrylic paints that coordinate with the current line of Dylusions Ink Sprays.

Designed to Dyan's specifications, these new paints are easily blendable yet waterproof, dries quickly to a matte finish, accepts all types of writing inks without clogging up the tip, perfectly compatible with the complete line of Dylusions Ink Sprays, fluid - not too thick and not too thin, in jar with a wide opening perfect for art tools, brushes and fingers alike, in other words...Dylusions Paint is fabulous!

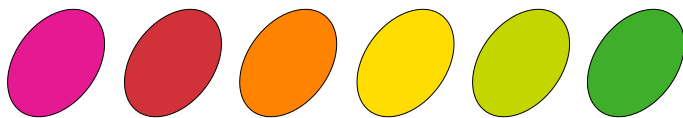

Developed with the art journaler in mind, use Dylusions Paints to create beautifully blended backgrounds on paper; they also work well on a variety of other surfaces too! Quick drying time makes journaling and doodling fast and easy – pages won't stick together. Break out your favorite rubber stamps and Archival Inks and stamp on top of dry painted surfaces. Use paint with Dylusions Stencils and the Mini Ink Blending Tool to create quick & easy backgrounds. Cleans up easily with warm water and soap.
