### 3 New Shades of Liquid Pearls

*Pearlescent Accents for Paper and more!*

Ranger is pleased to announce the ever expanding palette of Liquid Pearls. Metallic touches continue to be a hot trend and Ranger's three new colors fit that bill – Brass – not too bright but not too dull, Rose Gold – a warm gold with a pink hue, and Pewter – a subtle yet cool metallic finish. Liquid Pearls are a versatile, dimensional pearlescent paint that dries permanent when used on paper and on fabric. Use the easy flow tip for precision application and to create pearly accents quickly and easily.
