

Tim Holtz® Distress Crayons

Introducing Water-Reactive Distress Pigments

Distress Crayons are formulated to achieve vibrant coloring effects on porous surfaces for mixed-media. The smooth water-reactive pigments are ideal for creating brilliant backgrounds, watercoloring, smudge effects and more! Color directly onto your surface and blend with water then layer with Distress Inks or Stains for more creative possibilities. Available in 3 sets that coordinate with the Distress Palette.

DISTRESS CRAYONS SET #1 TDBK47902
