## Ranger Texture Paste 3pk & Texture Tools 2

*Add Texture & Dimension to Your Mixed Media Projects*

### TEXTURE PASTE 3PK ASSORTMENT

Ranger's artist quality Texture Pastes are ideal for creating dimensional layers on most surfaces. Ranger's sample pack includes 1 oz. jars of all three texture paste varieties - Opaque Matte, Transparent Matte & Gloss. Apply paste to surfaces using a palette knife. Use with stencils for defined shapes, or create textures and patterns using Ranger's Texture Tools. Customize the paste by inking or painting directly over the dry paste, or by mixing in acrylic paints, re-inkers and other texturizing elements.

### TEXTURE TOOLS 2

Ranger has added a new Texture Tools set for use with Ranger Texture Paste. Each set includes 6 new designs made from durable, flexible plastic that can be used to create raised textured effects. For quick, easy, and unique designs, run Texture Tool through wet Texture Paste that has been applied to craft project. Allow the Paste to dry then colorize with paints, inks and other mediums. Each set includes a metal hinged ring for easy organization and convenient storage.
