

Vintaj® Patinas & Matte Glaze

New Year, New Colors!

VINTAJ® PATINAS

Ranger and Vintaj® are pleased to announce the addition of 2 new Patina Kits featuring 4 new on trend Patina colors. The kit names alone are enough to sweep your creativity away to far away places – Sunset in Morocco features 3 new colors Citrine, Petalite and Carnelian and Twilight in Paris includes the new light lavender/blue Chalcedony, Onyx and Cobalt. The new colors are available open stock as well.

Vintaj® Patinas are opaque inks specially formulated by Ranger to adhere permanently to metal and a variety of other surfaces. The color palettes were developed to mimic natural brass patinas that would occur over time. Available in a palette of 21 colors and 4 metallics, the Patinas can be blended and layered to create endless patina effects.

NEW MATTE GLAZE

Another exciting addition from Ranger and Vintaj is the new Matte Finish Glaze, available in 2 sizes – 2 fl. oz. and ½ fl. oz. bottles and 2 pc. kit featuring both the Matte and original Gloss Finish Glaze in ½ fl. oz. bottles. Vintaj® Matte Glaze can be used both as a clear top coat and sealer and as an open time extender for the Vintaj® Patinas.

Visit Ranger at the January 2015 CHA Conference & Trade Show – Booth# 2521 to see the entire line of Vintaj® Patinas and Surfaces, Signature Designer demonstrations, Make-n-Takes and project ideas.
