Press Release

Doodle, draw, write and scribble with Ranger's latest Inkssentials™ must-have point of purchase item — the White Opaque Pen and Display.

Filled with a bright, white pigment ink, this pen is perfect for doodling, accenting stamped projects and journaling on colored papers. You can also use it over projects painted with Distress Crackle Paint™, Adirondack® Acrylic Paint Dabbers and the new Pigment Inks. Highlight pre-printed embellishments and scrapbook papers to make them pop!

The acid free, non-toxic White Opaque Pen is ideal for the paper crafter, rubber stamper, scrapbooker and altered artist. It can even be used on polymer clay projects prior to baking.

The Inkssentials White Opaque Pen is available as a Point-of-Purchase Display and includes 30 pens with imprinted logos. Convenient replacement packs of 10 pens are great for classes and Make-it-Take-its.

Please visit us at the 2008 Winter CHA Trade Show, Booth #4264 for more information. Available March 2008.
